DEDICATION

MISS GRACE TIPPET

WE of the 1950 annual staff take pride in dedicating our *Shield* to one of the most capable instructors at Joliet Junior College, Miss Grace Tippet. Miss Tippet is remembered as the former faculty advisor of the *Blazer* and *Shield* staffs and as the present popular American Literature teacher.

Miss Tippet almost became a physical education teacher, but says, "The English job came along first, so I stayed with that." It is hard to stipulate where Miss Tippet was educated. She attended Cornell in Iowa, got her M.A. at Columbia U., and has had summer work at the University of Chicago.

She began her teaching career in an Iowa country school, later taught in Michigan and North Dakota before arriving at Joliet.

In her free moments, she enjoys reading and practicing her hobby of amateur photography.

ORGANIZATIONS

STUDENT COUNCIL

Left to right: George Tillman, Ralph Deutschman, Ann Johnson, Beverly Wills, Marion Juricic, John Argoudelis, Wayne Johnson, Jack Smith, William Mescher, Paul Sartori, Rich Lambakis.

One of the most powerful organizations at JJC is the Student Council which for the 1949-1950 school year was under the leadership of President John Argoudelis. The major accomplishment was the realization of a football team. Previously this was deemed impossible, for the budget would not allow it. A motion was passed calling for the abolishment of the year-book which is allotted \$2,000 from the activity fund. The proposal was put forth to the student body for a vote and by an overwhelming majority it was affirmed. Under the influence of the student council the motion was rushed to the board of education after the dean and superintendent Hugh S. Bonar consented to it. A liberal Board of Education passed the motion and for the first time JJC will have a football team.

Dean Elmer Rowley approached the student council asking if it were possible to have a big name band play at our formal dances. That

was also agreed upon and Jimmy Featherstone, who is now playing in the Trianon Ballroom in Chicago and is known throughout the country, has been contracted to play for the Spring Formal.

Sadie Hawkins Day was instituted and set for April 21. Summing up the rest we find the recreation and smoking rooms repainted, remodeled, and changed to a co-ed status, with a radio installed in the smoker, and a radio-phonograph and piano in the recreation room. There have been more assemblies and dances after the basketball games with a local orchestra playing.

The Student Council has dodged no problems and is always open for comment from the student body when one feels he is being discriminated upon or has something new to offer.

Officers for 1950 were: John Argoudelis, president; Harvey Cain, vice president, and Gus Samios, Treasurer.

THE SHIELD

T. B. SENNETT
Advisor

As the "Wheels of Time" spin through the past fifty years, they reveal the most history making epoch the world has known. We have survived two world wars, we have seen the advancements in electricity and medicine, the destruction of the atom and hydrogen bombs, to mention but a few events. It is this devel-

opment through the past half-century that the 1950 SHIELD staff has tried to present.

Every year the annual staff promises a little more than the year before and works toward that goal. The 1950 staff featured Alice Wilbur as Editor-in-Chief, Merlyn Broadrick, art and layout editor; Paul Sartori and Ward Theilman, organizations editors; Kenneth Roberts and Donald Gast, business managers; Joanne Martie, activities editor; Marcia Lyden and Virginia Overby, publicity. The photographers, under the direction of M. E. Leatsler, were James Boyd, Ramon Gunhouse, Marion Juricic and Catherine Bertino.

The progress of the SHIELD was under the capable guidance of T. B. Sennett, advisor.

BLAZER STAFF

NEW STAFF MEMBERS, Left to Right: Don Stanfel, Ted Kietzman, Fred Wilmette.

Left to right: Donald Gast, Advertising; Ward Theilman, Layout; Joanne Martie, Editor-in-Chief; Chuck Book, Sports Editor.

BLAZER

Every second Monday JJC's students eagerly await the distribution of the college paper, the **BLAZER**. This publication is the work of the journalism students who willingly devote time and effort to provide information on all the activities and sports of the school as well as entertainment for the students.

Providing experience and giving students the chance to carry responsibility, the newspaper serves as a medium of learning for those interested in the journalistic profession. As a two-hour course, journalism can be worked into almost anyone's curriculum. This makes it possible for a variety of students to compose the staff.

Under the supervision of the faculty advisor, Ted B. Sennett, the **BLAZER** is published every two weeks in the form of four or six pages. Two special editions were published:

the literary supplement, containing various writings from the English classes, and the special senior edition sent to all seniors in the high schools in the vicinity, for the purpose of acquainting them with Joliet Junior College.

As a member of the Associated Collegiate Press, the **BLAZER** is each year rated along with other colleges and universities throughout the country.

Serving as editor throughout the first semester were Marcia Lyden, Gloria Ostrem, Virginia Overby, Chuck Book, Jane Washburn, and Joanne Martie. Mary Jane Gerra acted as business manager. Joanne Martie acted as editor the second semester, and Don Gast was the business manager.

The **BLAZER** is printed by the high school print shop, under the direction of Donald Imig and Herbert Warfel.

OFFICERS, Left to Right: Dorothy Borghi, Joann Downey, Beverly Wills, Dorothy Christie.

For the 1949 and 1950 school year, the freshman and sophomore girls have joined to form one club which was to be known as the "College Women's 'Y'." They decided at the first meeting that one large organization could accomplish more toward carrying out their purpose, which is essentially service work, than could two small groups.

The girls donated their time on Saturdays to the children of local orphanages in order to teach them games and sports. They presented a forgotten family with baskets of food on

Thanksgiving, and through the medium of their carols, they helped spread Christmas joy throughout the city.

Nancy Maloney was chosen to lead the group, with Beverly Wills, vice-president; Suzanne Davis, secretary; Lillian Eggers, treasurer. Second semester officers were: Dorothy Christie, president; Marion Brown, vice-president; Joann Downey, secretary; and Dorothy Borghi, treasurer.

Miss Zenol Moore and Miss Georgia Lennon acted as sponsors at the meetings which were held at the Y.M.C.A. on Wednesdays.

MEN'S Y

Men of Joliet Junior College have organized a basketball team sponsored by the Men's Y this year that challenged rather unsuccessfully the high school teams of the Y. These athletes were a slight disappointment in comparison to the varsity squad. Their chief followers were members of the Women's Y.

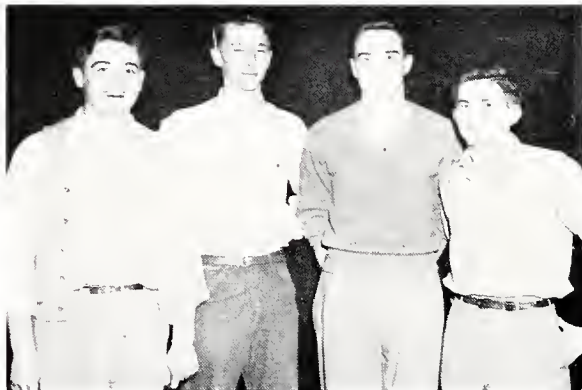

In addition to a co-ed swimming party, the Men's Y sponsored a bobsled ride and a skating party.

This group strives to improve living both mentally and morally of the college men, to

provide entertainment for education and recreation, and to raise spiritual fellowship into the minds of the men. The regular meetings are held on Wednesdays, 8:00 o'clock, at the Y.M.C.A. building.

Administrators for the second semester were: George Tillman, president; Art Thompson, vice president; Rich Lambakis, secretary, and Dick Petersen, treasurer.

Those elected first semester were: Dick Teas, president; Lester Luther, vice president; Ray Juricic, secretary, and Don Palmer, treasurer.

Art Thompson, George Tillman, Dick Peterson, Rich Lambakis.

EDUCATION DISTRIBUTIVE

Seated: Christo Dragatsis, Joyce Bauch, Elsie Shaubel, Darlene Reece, Marilyn Chesko, Betty Peart, Lorraine Tezak.
Standing: Wayne Massey, Andy Orsini, Don Beno, Wally Sharp, Richard Rachick, Jim Gillette, Duane Kerchoff.

Students who are planning business vocations now have the opportunity for practical experience combined with classwork by taking the Distributive Education, now offered by Joliet Junior College.

The course was instituted two years ago with Mr. Duane Kirchoff being in charge.

Students admitted to this course must be sixteen years of age and matriculating at JJC. Students spend approximately one-half of the school day in classes, four school periods being devoted exclusively to vocational training in retailing and distribution. They work a minimum of fifteen hours a week and are paid a beginning hourly wage. The average gross yearly earnings last year were \$743 with a high of \$1,214 and a low of \$497.

This work experience takes the form of laboratory training, in that retailers offer the students enough variety of experience and training to provide them with an understanding of the operations of retailing, and the necessary skills and information to perform their jobs efficiently.

The teacher works closely with the retailer in order that the classroom instruction may be directly related to the job in which the pupil is placed. The student receives a grade for his work in class, and a grade for his work on the job, as school credit is given for the classroom instruction and for the training on the job. This cooperation becomes the key to the program—cooperation between the school and the merchant.

Mr. Kirchoff stated, "There is a definite need for students to be provided with job experience and to mingle and associate with customer and employer alike so as to attain the satisfaction of being accepted as an adult."

Although merchants are under no obligation to accept students, they and the Joliet Junior Association of Commerce have approved the program and are cooperating very efficiently with Mr. Kirchoff.

The program is carried on in the schools in cooperation with State Board for Vocational Education and under the provisions of the George Barden Act of 1946, which supplies half of the funds for the teaching of this course.

The practice of field trips, speakers and movies is the system used to acquaint the "Students of Medical Science" with problems and progress in the medical field. It is organizations such as this that are largely responsible for the remarkable achievements made in medicine since the turn of the century. The group and its sponsors, H. V. Klein, Everett C. Nelson, Edmond C. Puddicombe and Raymond L. Frisbie, visited the University of Illinois Medical School at Chicago, and Northwestern's Medical School on field trips. They heard such distinguished speakers as Dr. John Arnold, who discovered a cure for malaria, Dr. Robert C.

Blatchly, oral and plastic surgeon, and Dr. A. M. Brixey who talked on lymphnodes and the lymph system.

Officers of the club for the first semester were: George Lambakis, president; James Blackburn, vice president; Donald Siemsen, secretary-treasurer. Those elected the second semester were: George Lambakis, president; Ralph Deutschman, vice president; Joan Giegerich, secretary-treasurer.

 Row 2: Sandro Brandolino, Richard Comer, Joe Lazzaro, Jack Meyer.

In keeping with the tradition of championship bands, state and national, Joliet has added the newly organized Junior college band to those destined to win honors. Dr. Hal Dellinger, new faculty member, directs the body of some 30 talented members who play at special assemblies and at basketball games. The band traveled to Chicago to entertain during the half of the Joliet-Wilson conference championship game.

Three band members, Edward Matia, Angelo Principali and Charles Ursitti, were publicly congratulated for the fine work they did in composing a school song with original words and music. These boys are the first to have written a song that has met with the approval of the entire student body.

Ed Matia was given the privilege of directing the band when the new song was played at the basketball games.

Officers of the band were: Joe Lazzaro, president; Charles Ursitti, vice president; Mary Armstrong, secretary, and Richard Comer, treasurer.

"To develop a spirit of active and intelligent interest in dramatics in our school." Such was the spirit of the cast from the 1949 production in "George Washington Slept Here." Almost simultaneous with the closing of the final curtain the group began to form. Soon a constitution was drawn up and submitted to the Stu-

dent Council whereupon recognition as a school organization was definitely established.

B. F. Johnston was selected as sponsor of this new group and Jack Smith was elected its president. Other initial officers were: Ray Juricic, vice president; Evelyn Shroba, secretary-treasurer; and Richard Lambakis, clerk.

Before long the group was running smoothly and many activities were planned, among which was an assembly consisting of a one-act play and various individual entertainers. Other presentations from the group included a show that was presented for "Sadie Hawkins" day on April 28.

With the graduation of many of its 32 active members in June, the group's membership will be somewhat lowered. However, because of the increasing number of interested junior collegiates that have expressed their desires to take part, next year's membership is expected to be larger.

The new lighting system at JJC has provided excellent opportunity for investigation by the members of the Engineers' Club. These members took time to examine the particulars on one of their field trips. On other occasions they visited Pumping Station No. 9 at Joliet and the Globe Aircraft Company of Lockport to learn the functions and purposes of such organizations.

Tony Bruskas, member of the club, spoke on the various aspects of minerals. Another

college student, Bill Benedick, presented a demonstration of his short wave radio transmitter and of the work of hams.

The officers of the Engineers' Club, first semester, were: William Mescher, president; Harvey Cain, vice president; and James Smith, secretary-treasurer. Those elected second semester are: Richard Comer, president; Tony Bruskas, vice president; and David Ward, secretary-treasurer.

A visit to the girls' gym any time of the day would prove to the most ardent skeptic that a girls' athletic ability extends far and beyond that of a mere sports fan. The past fifty years have shown a marked advancement in the promotion of women's athletics. Among others there are organized basketball and baseball teams which attract as much attention as those of the men.

Beverly Wills was elected president of the WAA and was assisted by Evelyn Shroba as vice-president; Ann Johnson, head of sports; Joan Fox, secretary-treasurer; and Jeanne Fant, publicity chairman. For their endeavor, the girls are presented with a numeral for participation in seven sports or a letter for ten sports. WAA again sponsored co-ed activities, dancing,

badminton, and bowling, which proved to be exceedingly popular. This group also sponsored the annual Christmas Tea, a hayrack ride, and a dance.

Miss Gloria Smith is the new popular faculty advisor.

Row 2: Chuck Book, manager; Tom Williams, Moose Broadrick, Jim Fagan, Bob Whyte, Bill Mooney, Rudy Skul, A. A. Wills, coach.

Coach A. A. Wills returned to Joliet Junior College to resume his coaching activities.

Mr. Wills, no slacker on work or play, arranged a 29-game schedule for the local squad. "Fizz" didn't pick out the easy teams either: DePaul Frosh, Tri-State of Indiana, Lewis, Navy Pier, State Normal, Benton Harbor, Michigan, plus several tough conference games were on the Wolves' '49-'50 schedule.

Four returning lettermen, Tom Williams, Bob Whyte, Moose Broaderick and Jim Gannon, reported for early practice.

Freshmen Jack Major from Coal City, Bob McEvilly and Dick Van Asdlen of Minooka, and Bob Guitierrez and Rudy Skul from JTHS were hopeful candidates for first string berths.

Rich Juricic, former JTHS star, transferred to Joliet from Bradley University and added strength to the Wolves' lineup.

During the second semester Jim Fagan, former hilltop star, transferred to JJC along

with Carl Adams, who played with Braidwood high and spent a semester at Illinois Normal.

Coach Wills worked the boys out nightly and as the season opened the first string consisted of Williams and Whyte at forwards, Moose Broaderick at center, and Rich Juricic and Bob McEvilly holding the guard positions.

The 1949-'50 squad turned in a fine performance. They repeated as South Section champs, but dropped a heartbreaker to Wilson, 61-59, in the conference playoff game.

The Wolves finished the regular season with a record of 25 wins and four losses.

The state tournament was revived and Joliet was selected as the site for the playoff games. Joliet came through in fine style with wins over Elgin, Centralia and a thrilling 51-49 win over LaGrange for the title.

The basketball squad was also very proud of the home attendance they received. Joliet had a fine turnout for every game and boasted one of the finest attendance records in the state.

STATE TOURNAMENT PLAY

The Illinois Junior College State Tournament was revived and Joliet was selected as the host city. Elgin, La Grange, Thornton, Joliet, Centralia, Morton, North Park and Moline entered the tournament.

Elgin

Tom Williams led Joliet to an easy 89-31 win over Elgin in first round play. The Joliet captain scored 19 points. Joliet entered the tournament without the services of the two regulars, center Rudy Skul and forward Bob Whyte. Halftime score, Joliet 42, Elgin 19.

Centralia

Centralia's dark horse entry surprised everyone by knocking off top rated North Park, 67-62. In that game Centralia showed plenty of fight and kept hounding the North Park team all night. However, Centralia used up all of its strength and bowed to Joliet, 69-34. Centralia stayed with Joliet during the first half, but Joliet raced away to a commanding lead and held Centralia to nine points during the second half.

Finals

Joliet won the state crown by defeating La Grange, 51-49, on Tom Williams basket with 10 seconds remaining. Williams eluded his guard and took a jump shot over the head of another La Grange man, scoring and breaking

a 47-all deadlock. The game was played before a capacity crowd of both La Grange and Joliet fans. Joliet finished the game with one forward and four guards in the starting line-up. Outstanding Joliet players in the tournament were Tom Williams, Juricic, Carl Adams, Jack Major, Jim Fagan, and McEvilly. Joliet finished the season with a 28-5 record.

Consolation

Centralia took third place in the state by defeating Morton, 70-57. Centralia played possessive ball on offensive and pressed on defense to take a commanding lead. Jerry Wilson, Jack Whittenburg and Tom Taylor led Centralia to the win.

Prospects for a highly successful season seem very much of a reality to Coach Wills as he looks ahead to the 1950 season. Mr. Wills has one of the finest assortments of diamond prospects to come to Joliet in many a year.

Only three lettermen are returning from the 1949 second place squad, but a fine group of promising and experienced freshmen are expected to fill the vacant positions. Catchers Tom Elwood and John Argoudelis, and out-

fielder Art Downey are the veterans of last year's squad.

Included in a promising bunch of infielders are: Jim Fagan, Bob McEvilly, Rich Juricic, Jack Major, Carl Adams, Bob Gutierrez, Al Denovellis and Bill Brockett.

John Konawalski, Dave Miller, Walt Clapper, Bud Nagra, Pete Radakovich and Art Downey round out the outfielders.

Pitching will depend upon the talents of a pair of left-handers, Don Siemsen and Frank Conroy. Bob McEvilly also may be included as a possible pitcher for the 1950 squad.

Catcher Tom Elwood was all-star catcher during the city park league game and Rich Juricic was the all-stars' shortstop. Frank Conroy played ball in the WCAA league and Bob McEvilly was regular third baseman for the National Championship Farm Bureau team.

Missing: Bob Wertz, Jerry Larson, Rich Juricic, Ken Swinford.

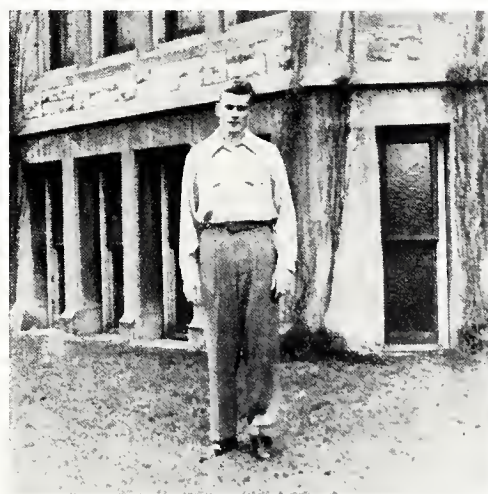

The 1949 golf squad was built around two returning lettermen, Bill Hamrick and Jerry Larson. Besides these boys several outstanding players joined the JJC squad at the start of the season. Coach Wills obtained the services of Bob Wertz, who came to Joliet Junior college from Catholic High. Rich Juricic came to JJC after a semester at Bradley. Two linksmen from JTHS, Dave Fleischman and Ken Swinford, rounded out the 1949 squad.

In the state meet held at the Big Run Golf course the JJC squad repeated the performance of the 1948 team and finished in third place with a total of 901.

Bob Wertz led the Wolves in the meet with a 169 total. Bill Hamrick totaled 174, Rich Juricic 179, Dave Fleischman 182, Jerry Larson 198 and Ken Swinford 205.

Row 2: Coach Kohl, George Achterberg, Norm Swanson, Ralph Tonge.

New tennis coach, Ernest Kohl, found that he had some brilliant material to work with when the 1950 season got under way. Fred Whitney was the only returning letterman, but equally capable teammates were George Pownall, former Will County champion, Norman Swanson, George Achterberg, Dave Ward, Rich Lambakis, all former high school stars.

Two other experienced net men were George Sangmeister, from JTHS, and Ralph Tonge, transfer from University of Wisconsin extension.

As of now, a definite schedule has not been arranged, but probable opponents are: Morton, North Park, La Grange, Thornton, Morgan Park, Wilson, Evanston, Wright, and Herzl.

INTRAMURAL FOOTBALL CHAMPS: Row 1: Moose Broadrick, Bob Stromberg, Bob McEvilly, Bruce Kwart. Row 2: Clarence Nagra, Bob Whyte, Jack Major.

INTRA-MURAL

The Dirty Half Dozen won the intra-mural football title with a thrilling 7-0 victory over the Outcasts in the final game of the season.

The only score of the game came when Bob McEvilly blocked a kick and the ball was recovered by Bruce Kwart deep in Outcast territory.

Bob Whyte tossed a pass to Bob Stromberg who made a leaping catch and set up the winning play. Whyte then tossed one to Moose Broadrick, who leaped up and hauled it in just over the goal line. Whyte again tossed to Broadrick for the extra point.

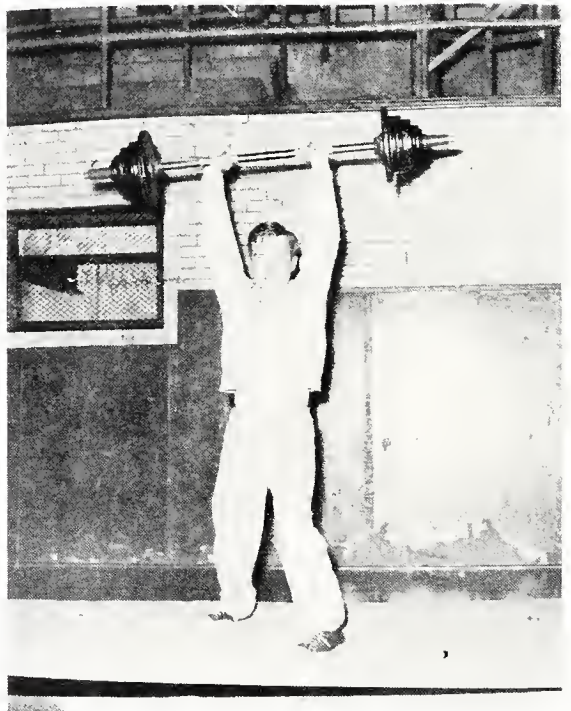

The Half Dozen held the Outcasts in check during the second half and protected their lead to win, 7-0.

The Half Dozen listed Dick Van Asdler, Bob Whyte, Moose Broadrick, Bud Nagra, Bob Stromberg, and Bruce Kwart on the roster.

The 1949 intramural football league had a fine tournament with six teams forming the league.

Final standings:	W	L

COACH A. A. WILLS

Coach A. A. "Fizz" Wills returned to Joliet after serving as JTHS basketball coach from 1942 to 1948. Mr. Wills was elected as the Athletic Director for the Junior college program.

Mr. Wills is far from a stranger at JJC, however. He first came to Joliet in 1928 and was in charge of the Junior college program until 1942 when athletic activities were suspended because of the war.

During his 14-year stay Coach Wills built up a very impressive record in turning out championship squads year after year.

During that period the Wolves won ten straight conference basketball titles and six state tournaments. The Wolves were state champs in 1932-33-34-35-38-41 and again in 1950.

Also included in his fine record at Joliet are seven baseball championships and two state golf titles. Just for the record books, since Mr. Wills has been coaching the Wolves, a total of 39 trophies have been added to the case,

including the 1950 state championship basketball trophy.

Chances are that another trophy will be added to the collection as Mr. Wills has championship material in the 1950 baseball squad.

The years 1949-'50 saw a great change in the Joliet athletic program. Not only did Mr. Wills turn out a great basketball squad, and as this goes to press probably a great baseball squad is in the making, but also the addition of football to the JJC program is now a reality. Besides this Mr. Wills has made the greatest attendance record of any Junior college in the state by promoting basketball.

Promotional games with DePaul and Illinois plus a 33-game schedule including games with opponents in Indiana and Michigan and the addition of the Junior college band playing at all home games added to the fan appeal.

Mr. Wills also revived the state tournament. The meet was the first since 1941.

So for the oldest Junior college in the nation it looks as though the future of athletics is in very good and promising hands.

GEORGE WASHINGTON SLEPT HERE

Row 1 (Seated): Helen Anderson, Norma Reynolds, Norma Ruden.
Back Row: Wendell Carter, Neil Nokes, Joyce Kezerle, Jack Smith.

"George Washington Slept Here," the annual JJC play, was presented October 28 and 29 with a very capable cast under the direction of B. F. Johnston.

This play, which was a Broadway hit and a successful movie production, is the story of a city family who purchase a home in the country in which George Washington was said to have slept.

Playing the lead as the happy-go-lucky husband and father, Newton Fuller, who is thrilled with his purchase of the old home, was Jack Smith. Norma Reynolds played the part of his disillusioned and cynical wife, Annebelle.

Their daughter, Madge, played by Norma Ruden, and her fiance, Steve, played by Neal Nokes, share Newton's enthusiasm for the house.

Ray Juricic ably portrayed Mr. Kimber, the typical example of the slow, easy-going Pennsylvania farmer.

Others in the cast were: Ardelle Chandler and Mal Shepley, as Rena and Clayton Evans; Virginia Overby as Mrs. Douglas; John Reynolds, as Raymond; Dick Teas, as Mr. Prescott; Dick Schoch, as Uncle Stanley; Rosamond Lavelly, as Katie the maid; Jane Beach, as Hester; and Helen Anderson, Joyce Kezerle, and Wendell Carter, as college guests of Madge.

FALL FORMAL

As the fall semester gets under way, plans are started for the biggest social event of the season: the Fall Formal. This year's gala event took place in the combined gyms in the atmosphere of the waterfront, as the theme, A Night in a Bowery, was expressed by decorations of the very adequate nature.

The climax of the dance, which was held Nov. 25, was the crowning of the queen. Eight charming candidates were selected by school organizations to compete for this title and reign over the dance. Three weeks before the event, the eight school organizations began campaigning for their candidates, and a vote of the student body was taken Nov. 23 to decide the winner.

Miss Kay Gaskin, candidate of the Engineers' Club, was selected, and she was crowned as the dance was halted for this big moment.

Surrounded by her court of the other candidates, Miss Gaskin was presented with a bouquet of roses.

The other candidates were: Miss Helen Anderson, WAA candidate; Miss Joan Briick, College Men's Y candidate; Miss Joan Kumfert, College Choir candidate; Miss Joann Downey, College Women's Y candidate; Miss Mary Jane Gerra, BLAZER and SHIELD candidate; Miss Joyce Kezerle, SMS candidate; and Miss Beverly Wills, the Student Council's candidate.

Roy Gorden's Orchestra provided the music.

The Fall Formal committee members were: Bob Stromberg, general chairman; Steve Price, floor and door; Neil Nokes, decorations; Kay Gaskin, invitations and publicity; George Woock, tickets and program. Faculty sponsors were: Hal Dellinger, Edmund Puddicombe, and Walter Myers.

Are You at the Crossroads?

Success Is Not Luck It Has a Price!

. . . Competition is keen in business, and you WILL NOT EARN A LARGE SALARY unless you are QUALIFIED, and put forth the necessary effort, TO EARN IT.

. . . Why not prepare yourself for an office position? Study a business training course:

COMPTOMETRY
TYPEWRITING
SECRETARIAL
ACCOUNTING
CIVIL SERVICE
STENOGRAPHIC
BOOKKEEPING
ADVANCED ACCOUNTING

. . . Anyone of the above courses will give you adequate business training for a business career. PLAN AHEAD FOR A BRIGHTER FUTURE.

. . . The important thing today is to prepare for useful service. In today's rush for supremacy and position in every line, the power to push ahead is indispensable to a satisfying degree of success.

. . . It has been said that knowledge is power, but the real fact is, only usable knowledge is power—only that knowledge which may be applied to the problems of life.

. . . There are many attractive opportunities in business through business training.

To the Class of 1950---

You have reached another milestone on the road to success, and we wish to extend our hearty

—CONGRATULATIONS—

It has been our pleasure to grow up with many of the class of 1950—outfitting them with their very first layette—their grade school duds—and now the smartest fashions for high school and Junior College. NOW it is even a greater pleasure to be able to serve YOU as you enter into the business world, or as you continue on to fields of higher education.

So, again we say, Congratulations, and Best Wishes.
